SUMMARY

Android developer with 1.5 years of experience in writing Android applications, including commercial development for 5 months. Proficient in Java, Kotlin and a wide range of libraries, frameworks and tools, able to work in a distributed team

WORK EXPERIENCE

- **Contractor** Vancouver, Canada
 - *Android Developer (Part-time, Remote)* *Jan. 2023 - Present*
 - **Wear audio recorder** : is an app for reporters, students, and teachers to effortlessly record and manage their audio recordings. It allows syncing between the Wear OS app on smartwatches and the Android app. With over 1 million downloads and 50,000 monthly active users, it's highly popular. The result of my work:
 - * **Improved stability**: weekly accident-free rate increased from 98.5 to 99.3
 - * **Improved rating**: application rating increased from 4.11 to 4.2
 - * **Increase in users**: increased monthly users from 36k to 50k
 - * **Innovated**: users got new "Recycle Bin with auto delete" feature

EDUCATION

- **MTUCI (Satellite Campus)** Rostov-on-Don, Russia
 - *Bachelor of Software and intelligent systems; GPA: 4.8/5.0* *Sept. 2019 – Sept. 2023*

ADDITIONAL EDUCATION

- **Production practice in FitnessKit** Moscow, Russia
 - *Real-world app development, refining skills through test apps.* *Apr. 2022 – Jun. 2022*
- **Completing the course of Android Academy** Moscow, Russia
 - *Course completion: mobile development basics, applied to a pet project* *Oct. 2021 – Jun. 2022*
- **Internship in WebAnt** Rostov-on-Don, Russia
 - *Internship: practice writing android apps under the guidance of a mentor* *Jul. 2022 – Sept. 2022*
- **Mobile Bootcamp Sirius University x VK** Sochi, Russia
 - *Mobile development, UX/UI design, Android app creation in a team of 5 developers* *Aug. 2022*

PROGRAMMING SKILLS

- **Languages**: Java, Kotlin
- **Technologies**: RxJava, Coroutines, Dagger2, Room, Dagger Hilt
- **Tools**: GitHub, Firebase (crashlitics, database, oauth), ClickUp
- **Patterns**: MVVM, Clean architecture, SOLID, OOP

SOFT SKILLS

- **Effective communication**: Confident public speaker with the ability to articulate ideas clearly
- **Dynamic presentations**: Skilled in creating engaging presentations using Canva and Figma, with a focus on impactful visuals and cohesive design
- **User-centric mindset**: Demonstrates a deep understanding of user needs and desires, driving the creation of relevant and user-friendly products
- **Leadership capabilities**: Led a product development team in the Your Move 2022 competition, showcasing strong leadership skills
- **Self-reflection and growth**: Embraces self-reflection, effectively learns from mistakes, and transforms them into personal strengths
